

# MB-HDS207

\* 20 in

\* 29 in

\* 22 in

\* Dimensions listed are without load capacity increase kit.

## OPTIONAL ACCESSORIES

- LOAD CAPACITY INCREASE KIT
- RQ15 SIFTING KIT
- RM MIXER KIT
- SHAFT HOLDER
- 24 MONTH WARRANTY

## TECHNICAL FEATURES

### RECOMMENDED EXCAVATOR

Without capacity increase kit:  $\geq 2,870 \leq 6,170$  lb  
With the capacity increase kit:  $\geq 3,750 \leq 6,610$  lb

### LOAD CAPACITY

Without the capacity increase kit: 7 gallons  
With the capacity increase kit: 8 gallons

### DIMENSIONS

\* 29 x 22 x H 20 in

### PRESSURE

> 2,900 PSI

### OIL FLOW RATE

\*\*7 gal/min  
\*\*The hydraulic flow and pressure must both meet the required parameters.

### WEIGHT

Without the capacity increase kit: 216 lb  
With the capacity increase kit: 250 lb

## SHAFT KIT

\* shafts in closed position

KIT	* ADJUSTMENT	APPLICATION
 RQ15 SIFTING KIT	0.6 in	Sifting damp/dry soil   Soil aeration
